SIR,

I have the honour to state that consequent on the large increase in the number of valuable documents and Government of India and other securities received in this office for safe custody the only safe we had in the State Huzur Treasury could not contain them all and I accordingly requested Government in my No.8156/R.469 dated 27th May 1913 to sanction the purchase of an additional safe for the purpose and this has been sanctioned by Government in G.O. No.Fl. 732/G.F.179-12-2 dated 6th August 1913.

But lately Government has sanctioned the purchase of Government of India, Presidency Municipal and Port Trust etc. bonds to the extent of 120 lakhs and the securities purchased accordingly are arriving in batches almost every day. Some of the bonds being of small denominations and bulky owing to interest coupons up to a period of 40 or 50 years attached more room is required for them than what is afforded by the existing safe and the additional one sanctioned by Government in G.O.No.Fl.732/G.F.179-12-2 dated 6th August 1913. Further as some of the bonds are payable to bearer and change ownership by mere delivery it is necessary to take all possible precautions for their preservation, I therefore consider it necessary to
